

## Volunteer Cooperative Weather Observers Needed

The National Weather Service is in need of volunteers to record and report the weather at the following locations:

Fullerton, Nebraska.....24 hour rain and snow amounts

Hunter, Kansas.....24 hour rain and snow amounts

Loup City, Nebraska.....24 hour rain and snow amounts in addition to 24 hour high/low temperatures.

Do you have a large open area for accurate rain/snow measurements? This means no nearby tall trees or building.

Do you have a computer with internet access? All reports now need to be sent via the web between 6AM and 9AM. You do not need to download any programs.

All equipment (except a computer) and training will be provided.

Please contact Marla K Doxey for more information.
